Vendor Welcome Guide

Everything you need to know before your first listing.

WELCOME TO ROORQ

ROORQ is IIT Roorkee's curated pre-loved fashion marketplace. We're not a generic resale app — we're a drop-based platform built specifically for the IITR campus, where every piece listed has a story and a spotlight.

If you have a hoodie you've outgrown, sneakers that deserve a new life, or streetwear sitting in your wardrobe, ROORQ is how you sell it right — to people who actually care about what they're buying.

WHAT MAKES ROORQ DIFFERENT

Curated, not just listed. Every product on ROORQ is reviewed by our team before it goes live. Buyers trust what they see. That trust is why they pay fairly — and why you get more than you would selling on a WhatsApp group.

Drops, not listings. ROORQ releases curated **Drops** — limited-time events where a batch of reviewed products goes live together. Drops create urgency, demand, and a real moment around your item.

Campus delivery. Zero hassle. You don't pack, ship, or coordinate. ROORQ handles delivery within the IITR campus. You hand over the item, we do the rest.

HOW DROPS WORK

1. You list your product on the vendor dashboard.
2. ROORQ's team reviews and approves it for the next Drop.
3. Approved products are queued for the **next available Drop**.
4. When the Drop goes live, your item is visible to buyers for a limited window.
5. If it sells — you get paid. If it doesn't — it may roll into the next Drop or you can relist.

COMMISSION & PAYOUTS

What	Details
Commission	10% of the final sale price (ROORQ's cut)
You receive	90% of what the buyer pays
Payout timeline	Within **7 days** of confirmed delivery
Payout method	UPI transfer to your registered account

> **No upfront fees. No listing charges.** You only pay commission when you sell. Buyer payment is collected at doorstep (COD or UPI).

WHAT MAKES A GREAT LISTING

Photos (3–6 required)

- **Natural light only —** no dark or yellow-tinted shots
- **Front, back, and detail** — stitching, logos, tags, any wear marks
- **Flat lay or worn —** both work; worn shots tend to convert better
- **Show flaws honestly —** a visible flaw in the photo is better than a buyer surprise
- Clean, neutral background (a white bedsheet works fine)

Title & Brand

Be specific. Not "Blue Hoodie" — write *"Nike Tech Fleece Hoodie – Navy, Size M."* Always fill in the brand, even if it's a lesser-known label.

Condition

Describe any defects, fading, or alterations honestly in the description field. Our team verifies condition during review.

Price

You set your own asking price. ROORQ may suggest a market-appropriate range, but the final call is yours.

Vendor FAQ

The questions every vendor asks — answered.

1. When do I get paid?

Within **7 days of confirmed delivery**. Once the buyer receives the item and delivery is confirmed, ROORQ initiates a UPI transfer of **90% of the sale price** to the UPI ID on your vendor profile.

---

2. What if my item doesn't sell during a Drop?

No problem. If your product doesn't sell in a Drop, it's eligible to be included in the **next Drop**. You'll see its status on your dashboard and can choose to keep it listed, adjust the price, or withdraw it. You're never locked in — you can delist at any time before it sells.

---

3. Who handles delivery?

ROORQ does. You don't ship anything. When an order is placed, our team coordinates pickup and campus delivery directly. We'll reach out via WhatsApp to arrange handover. All you need to do is have the item ready.

---

4. Can I set my own price?

Yes. You set the asking price for your item. ROORQ may suggest a range based on the item's category and condition, but the final decision is yours.

---

5. What if my product gets rejected?

If ROORQ's team finds the item is not a good fit — due to photo quality, unclear condition, or category restrictions — you'll receive a WhatsApp message explaining why and what to fix. You can resubmit after making changes. Rejection isn't permanent; it's feedback.

---

6. Do I pay anything upfront to list?

No. There are **no listing fees, no registration fees, no upfront charges** of any kind. ROORQ only takes a commission when your item actually sells (10%). If it doesn't sell, you pay nothing.

---

7. How does payment to the buyer work?

Buyers pay at doorstep — either **Cash on Delivery** or **UPI** — when ROORQ's team delivers the item. ROORQ collects on your behalf and remits 90% to you after delivery confirmation. You never handle buyer payments or chase anyone for money.

---

8. What types of items can I sell?

ROORQ accepts: Clothing (tops, bottoms, outerwear, ethnic wear, activewear), Footwear (sneakers, boots, sandals), Accessories (bags, caps, belts, jewellery, sunglasses), and Streetwear / branded fashion.

We **do not accept** innerwear, swimwear, heavily damaged items, or counterfeits. If you're unsure, just WhatsApp us.

---

9. How long does the review process take?

Usually **within 48 hours** of submission. During peak periods it may take up to 72 hours. You'll always receive a WhatsApp notification when your product is reviewed — approved, declined, or if we need more photos.
